Changes for Customers

East Point-The Department of Highway Safety and Motor Vehicles wants to advise the public of upcoming changes to your local driver license office.

In the East Point area, the driver's license office located at 731 Highway 98 will close on Thursday, June 26, 2008. The next closest office for customers is located at 130 Library Drive in Port St. Joe. To help accommodate customers, the Port St. Joe office starts its new expanded hours Monday, June 30, 2008. The new office hours will be Monday through Friday, 8:30 a.m. till 5:00 p.m. Employees at the East Point office will be transferred to other driver license offices to continue offering exceptional customer service.

"The Department wants to encourage customers to skip the trip and get their driver license business done online at www.flhsmv.gov where various online services are available. Here, customers can renew their driver licenses, identifications cards, vehicle tags and change their address," the Division of Driver Licenses Director Sandra Lambert. "If a customer has received notification from the Department that they will have to come into an office, they can make an appointment at <http://oasis.hsmv.state.fl.us>. Making an appointment can be a time saving tool for customers."
